Date: October 30, 2016

Location: Mid-Iowa Council, Boy Scouts Center

Agenda

Welcome and Introductions

Club Philosophies and Practicalities

Discussion involving all the clubs in the varying methods that they use in the setup of their club, the structure of their practices, the requirements of their parents, etc.

Goal – allow the various clubs to see the unique and varying ideas that other clubs have, allowing them to think outside the box with their own clubs structures

USATF Iowa Website Design and Usage

Discussion of usage of the USATF Iowa website. How it is used, what is good, what is bad, what is missing, what needs improved.

Goal – the website has been in its current state for several years now and it may be time to look at some revisions. Some things are mandated by the national office, but the main objective should be to make the site useful for the members.

2017 Season

Track Meets – usual discussion about development meets. Who, when. Trying different things.

XC Meets – can we come up with more development meets, some kind of schedule.

Administration – SafeSport, background check, membership

As always, open discussion.
